Defendants.)	

This matter came to be heard by the Court on the Motion of Plaintiff, LEAF Funding, Inc. (“LEAF”), for a Judgment by Default against Defendants, Castco Products, Inc. (“Castco”) and Peter J. Brown (“Brown”), with respect to LEAF’s First and Second Claims for Relief set forth in the Complaint. LEAF’s Third and Fourth Claims for Relief have been rendered moot by Defendant’s voluntary surrender of the Equipment covered by the Lease Agreement and, therefore, are dismissed WITHOUT PREJUDICE. The Court retains jurisdiction over the remaining claims because, with the claims that are now moot, the amount in controversy when this action was filed exceeded the statutory minimum.

The Defendants have failed to timely plead or otherwise defend this action. The Court finds the Motion for Default Judgment to be well taken and it is hereby SUSTAINED. Judgment is entered in favor of Plaintiff, LEAF Funding, Inc., as follows: On the First and Second Claims for Relief, against Castco and Brown jointly and severally, LEAF is awarded the sum of \$43,739.22, representing the \$39,452.21 due under the Lease Agreement, plus \$1,551.07 in prejudgment interest thereon, plus \$2,735.94 in attorney fees and costs; with post-judgment interest

on that sum at the rate permitted by 28 U.S.C. § 1961, from the date of judgment until the date the judgment is satisfied.
